"It's good being first"

Meet the 2011-2012 Delaware TSA State Officers!

Bridgette Spritz, President

Hello, my name is Bridgette Spritz and I am honored to serve as your 2011-2012 Delaware TSA President! I love being a part of TSA and especially appreciate the leadership opportunities, competition, and community service it offers. I have served on the Delaware TSA State Officer Team for the past three years as your DE TSA Sergeant-at-Arms, Secretary, Vice President, and President. My favorite competitive events in TSA include Prepared Presentation, Debating Technological Issues, and Manufacturing Prototype. Many of my favorite moments in TSA have happened while volunteering or participating in community events such as Mount Pleasant High School's Relay for Life. As I approach my senior year at Concord High School, I am so thankful for the many great memories I have been able to form because of my involvement in TSA and I look forward to the future this organization. My goals for serving as your Delaware TSA President include improving communication and enhancing community service by establishing a state-wide competition. Thank you for electing me, Bridgette Spritz, as your Delaware TSA President and I hope to represent you all well!

Davey McGinnis, Vice-President

Hey everyone! My name is Davey McGinnis. Last year I was your Sergeant-At-Arms and now I'm your 2011-2012 DE TSA Vice President! I really enjoy being on your state officer team and want to thank you for electing me. I also enjoy playing soccer, wrestling, and running track! My favorite thing about being in TSA is that we, as members, get to travel to different places and meet so many people. I think this is very important in our leadership development. My favorite TSA events are Career Comparisons, Problem Solving, and Structural Engineering! I, along with your other State officers, represented you in the State Legislature on Tuesday, May 10th! Once again thank you and

see you at the Fall Leadership conference!

Robert Onufrovich, Secretary

As the State Secretary of Delaware TSA, I am proud to have the opportunity to serve the organization and benefit its well-being to the best of my ability. I would like to thank all of the voting delegates from Delaware for my election. It is a great honor to take on a higher leadership role representing my fellow TSA members. TSA is an organization that I truly admire for the great opportunities it provides in many different ways. Members are able to gain leadership positions, technical skills, and great cooperative attitudes from actively participating. I envision the potential these opportunities create to build the character of future technology students pursuing technology related careers. The organization has helped me find my true passions through participation in the numerous events it has to offer. My name is Robert Onufrovich. I am greatly looking forward to another great year of TSA with Caesar Rodney High School as well as Delaware, as I serve as state secretary.

Monideepa Chatterjee, Treasurer

Hello Delaware TSA! My name is Monideepa Chatterjee and it is my pleasure to serve as your State Treasurer for the 2011-2012 school year. I have been a member of TSA since my sophomore year at Concord High School. As I head into my senior year, I hope to help the state officer team put together a promotional video that can be shared with schools across the state to increase membership in this organization. TSA has become more than just an extracurricular activity for me. I love the competitive spirit, leadership opportunities, community service projects and spending time with the people in TSA. I hope that by increasing membership, we can strengthen this organization and give other competitors that wonderful experience that comes from being a participant in TSA. Thanks for electing me, Monideepa Chatterjee as your state treasurer, and I hope to hear your ideas and represent you well!

Steven Vanderloo, Reporter

Hi Delaware TSA! My name is Steven Vanderloo and I go to Concord High School in Wilmington, DE! TSA has been a huge part of my life for so long; 2011 marked my fifth year of involvement in this great organization. I started out in TSA in the 7th grade at Hanby Middle School with Mr. Singer. I first ran for a state officer at the end of my eighth grade year, four years ago. I have since served as your DE TSA Treasurer, Vice-President, President, and now as the Reporter for the 2011-2012 school year. I look forward to expanding the website, mailing list, and our publications to reach more people effectively. My favorite events in TSA include Chapter Team, Desktop Publishing, Webmaster, and Maglev Vehicles. I have so many great memories in TSA, be it volunteering with the state officer team, running chapter meetings with my advisors, Mrs. Stuchlik and Mr. Estock, or working on events late night to meet a deadline. TSA is more than a club to me; it's more like a great big family. With that said, feel free to email me if you have any questions or just want to chat about TSA. Thank you for electing me, and I hope to be in touch with everyone soon!

Jen Marshall, Sergeant-at-Arms

My name is Jennifer Marshall and I am thrilled to have the opportunity to serve as the 2011-2012 Delaware TSA Sergeant-at-Arms. This is my fifth year with this organization and my first year on the state officer team; however, I have served as Sergeant-at-Arms, Vice President and President of Caesar Rodney's TSA chapter. I also enjoy participating in other organizations in my school such as the Caesar Rodney Stage Crew and Thespians, Photo Club, National Honor Society and Chorus groups. As I prepare for my final year of high school, I look forward to continuing to compete in events such as Prepared Presentations and Fashion Design as well as volunteering for organizations such as the American Cancer Society through Delaware TSA. I also look forward to finding and providing more service opportunities for other DE TSA members. I'm ecstatic to be serving on this year's state officer team with such wonderful fellow officers and cannot wait for all the wonderful opportunities to come in the 2011-2012 school year.
