DELAWARE STATE SENATE
146th GENERAL ASSEMBLY

SENATE CONCURRENT RESOLUTION NO. 8

DESIGNATING APRIL 21, 2011 AS "TECHNOLOGY EDUCATION DAY" IN THE STATE OF DELAWARE.

1 WHEREAS, technological literacy is an important asset to all Delawareans; and
2 WHEREAS, success and efficiency of the state, country, and world are becoming more technologically based; and
3 WHEREAS, technological literacy allows for further advancement of the citizens of the State of Delaware and
4 their active roles in the community; and
5 WHEREAS, technological literacy strengthens the foundation of Delaware's economy; and
6 WHEREAS, a larger percent of people have a basic understanding of technology today; and
7 WHEREAS, a higher level of technological literacy is needed to compete in the global market place;
8 NOW THEREFORE:
9 BE IT RESOLVED, by the Senate of the 146th General Assembly of the State of Delaware, the House concurring
10 therein, that April 21, 2011 is hereby designated as "Technology Education Day" in Delaware, and we urge all citizens of
11 Delaware to recognize this event and participate in its observance.

SYNOPSIS

Establishes April 21, 2011 as Technology Education Day in the State of Delaware to emphasize the importance of technological literacy.
