2012 Delaware TSA State Conference Attire

This document is intended to be used as a guide to help Delaware Chapter Advisors in guiding your members in regard to attire for our state conference. Please remind students that it is better to be over prepared rather than not in regard to all expectations. **NOTE:** An official blue shirt has been introduced as part of the official TSA attire and the female tie has been eliminated. [Click here](#) for more details. The new Blue shirt is acceptable to wear to the State Conference but is not required until 2013.
