

## DELAWARE TSA STATE OFFICER - CANDIDATE APPLICATION

### State Officer Application Packet - 3.0

We are pleased that you are interested in running for a Delaware TSA State Office; however, before running, we would like to acquaint you with the duties and responsibilities required of State Officers. Our website, [www.detsa.org](http://www.detsa.org), and the Delaware TSA By-Laws would be a great place to start as well as speaking with a current or former State Officer. This is a student organization and as a State Officer, you hold a great responsibility in the operation and success of the Delaware Technology Student Association.

#### **STATE OFFICER CANDIDATE SCREENING**

The State Officer Candidate Packet will be collected **Friday, March 1, 2013. The application must be received by the TSA State Advisor no later than 4:30 P.M. If successful, you will be granted an interview on Saturday, March 23, 2013. In order to be eligible to run for office, it is required that you and your advisor attend the March 23 interview session.** This interview session will be for the purpose of determining appropriate candidates to run for TSA office. After a successful interview you will be placed on the ballot for election. Please fill out the TSA state officer application materials and return them by **Friday, March 1** so that an interview time may be arranged. Each interview should take about 15 minutes. Send your completed application to:

#### **STATE OFFICER ELECTIONS/INSTALLATION**

Attendance at both the Election and Installation are mandatory. During the TSA State Conference an election will be held. All officer candidates will be excused from school in order to attend. Please feel free to view the current activities schedule at [www.detsa.org](http://www.detsa.org) to help determine the time commitment.

#### **STATE OFFICER MEETINGS/FUNCTIONS**

State Officers participate in monthly meetings, officer training and work sessions as well as work with TSA members from other schools, states and attend national TSA functions. They also represent Delaware TSA as a delegate in local, state and federal government activities. It is definitely a positive experience. These dates are arranged by the State Advisor in coordination with the State Officers. Meetings are typically held during the evening or after school. In addition, officers will have the opportunity to participate in other TSA related activities as well to serve in a leadership role. These activities are determined in the annual TSA Work Plan that the State Officers help create in the summer leadership planning week (Beach Week). The Delaware TSA Leadership and competitive conferences are held during the school day and are sanctioned by the chief school officers of all public school districts in Delaware.

**I have read the above statement and understand the expectation to attend and participate in ALL TSA events and functions as scheduled during my term in Office.**

We encourage you to take your time on this assignment. *Please note that the text and photo that you provide may be used (in full or in part) on the DETSA website as part of a “Meet the TSA State Officer Candidates” feature that is planned. ## TSA State Officer Candidate – Campaign Guidelines

**Campaign Materials** – Should you want to have campaign materials, all campaign materials (buttons, pins, pencils, pamphlets, etc.) must be pre-approved by your chapter advisor prior to purchase or any distribution. Candidates are responsible for the cost of any materials. Additionally all materials must conform to standards that are professional and appropriate for distribution to students. If there are any questions about the professionalism or appropriateness of any campaign materials, contact the State Advisor for approval.

Candidates are responsible for ensuring that handout materials do not cause litter or safety problems. No posters, banners, etc., may be adhered to the walls of the conference site. Campaign materials may not be distributed during any general sessions or competitions. No water bottles, candy, mints, gum, or any edible items will be allowed. No raffle tickets are allowed. No tattoos may be distributed. No helium or other types of balloons are allowed. Students are financially responsible for any campaign materials shipped to the conference. *Failure to observe this policy could result in the candidate's removal.*

**Campaigning Prior to Conference** - No campaigning may occur until the conference. This includes any campaigning or announcing your candidacy on the Internet. DETSA will create a

“Meet the TSA State Officer Candidate” web page that all members may review. The candidate may not comment, campaign or direct members to this website. *Failure to observe this policy could result in the candidate's removal.*

**Campaigning at the Conference** - Throughout the conference, candidates will be able to greet attendees and may also be available following sessions or events to greet attendees. Campaign materials may be distributed at these times as long as that they do not interfere with any events or sessions. If you are asked to refrain from campaigning or asked to move the discussion to another location (so as to not interfere with an event by an adult) you must do so. *Failure to observe this policy could result in the candidate's removal.*

**Campaign Booth** – Campaign booths are only allowed in the **Kent Pavilion**. Each candidate may use a picnic table to serve as your campaign booth or they may bring a small folding table. The candidate may place a tabletop display (no larger than 15 inches deep, 3 feet wide and 4 feet high) on the table top and hand out campaign materials from this table (weather permitting).

No signs or banners may be hung from the front of the table. Candidates may incorporate a laptop as part of their campaign booth; however, no sound will be allowed and the laptop must run on battery. There will be no electricity allowed. Only one person, you or a representative, will be allowed to “staff” your campaign booth at any time. All campaign booths and materials must be cleaned up and put away prior to the beginning of lunch or as directed by conference staff. **All campaign booths must be approved by your Chapter Advisor and by the manager of the Voting Delegates prior to the conference.** *Failure to observe this policy could result in the candidate’s removal.*

**Campaign Speeches** – It is suggested that each candidate arrive at the Voting Delegates session no more than 10 minutes early in order to greet the delegates from each chapter as they arrive. At the Voting Delegates session of the conference, each candidate will be given the opportunity to come to the podium to state their name, the office they are seeking and to share their campaign speech. Candidates are allowed a specific amount of time (2 ½ minutes) for campaign speeches at the Voting Delegates session. At the discretion of the TSA event staff, a candidate may be asked to end their speech early should they deem any part of the speech to be inappropriate or if the speech is longer than the allotted time. No one, other than you, may participate in your campaign speech in any way. No props are allowed. **All campaign speeches must be approved by your Chapter Advisor and by the manager of the Voting Delegates Session prior to the conference.** All speeches must be positive in language as well as not be deemed derogatory to any fellow members, candidates, adults, or TSA staff. *Failure to observe this policy could result in the candidate’s removal.*
