Preparation Guidelines for "Off Site Static Events"
March 12 - 16, 2018

Advisors, please read and adhere to the National TSA guidelines for all events – pay particular attention to the "Procedures" and "Regulations" sections of the guidelines. Also, the "Event Coordinators Instructions" section will be helpful.

Below is a list of materials needed and general guidelines for each event:

Essays on Technology – MS
Entrants will have entire week to complete this event. (March 12-16)
1 clear front report cover – for turn-in on March 17
1 copy of the Topic w/instructions per student (Emailed March 12, 8:00am)
Please open and read attached document – "Essay on Tech Rules MS– 2018"
