

SHAPE YOUR FUTURE

What is TSA?

TSA is a national student leadership organization with nearly 200,000 members. TSA works to provide competition, educational opportunities, and leadership development for students who are enrolled in or have taken technology education courses.

TSA's mission is to prepare our members for technical careers and help them explore the opportunities available to them.

Why join TSA?

TSA allows students to explore a variety of career interest areas in a hands-on environment that takes them outside of the school walls. Further, it is a great way to connect with your school and develop your resume. Scholarship committees, post-secondary schools, and employers like to see that students are involved in a variety of activities, and TSA affords you the opportunity to build your resume. Other benefits include:

- Opportunities to work on complex projects
- Develop skills such as teamwork and presentation skills
- Compete at the State and National level
- Participation in service projects
- Be part of a national student group
- Have your voice heard
- Recognition for accomplishments
- Be involved in your school & community
- Connect with others of like interests

TSA: IT'S ABOUT OPPORTUNITY

COMPETITION

TSA offers competitions in a variety of areas, so there is sure to be something for everyone. Develop your skills or learn more about:

Architecture	Construction
Desktop Publishing	Engineering
Fashion Design	Film/ Video Production
Graphics Design	Leadership
Manufacturing	Music Production
Photography	Problem Solving
Robotics	Video Game Design
Website Design	And much more!

LEADERSHIP

Become a leader in your school, state, or even your nation. TSA members develop the skills necessary to lead groups as well as to work as part of a team. You could become a chapter, state, or national officer. With TSA you have the opportunity to take part in exciting, unique trainings throughout the school year.

TRAVEL

TSA members have the opportunity to travel to a variety of events. Be it a regional competition, a state conference, or even the national conference, there are a variety of chances to see different areas, meet new people, and make memories.

What do you do in TSA?

- Compete in over 60 competitive events
- Learn leadership skills
- Develop career & technical skills
- Attend state and national conferences
- Compete in regional competitions
- Network w/ students and industry professionals
- Work with exciting people
- Community service
- Attend group events such as games.
- HAVE FUN!!
