

**Delaware TSA State Conference
April 29 and 30, 2015**

Dear TSA Advisors,

I am starting to organize events with assistant event coordinators and judges. I would like for **YOU** to list three events you would be willing to help judge or serve as an assistant event coordinator for this year. Please note that if we do not have enough volunteers, advisors may be assigned to these roles.

I would like to participate in judging or coordinating the following events.

- 1. _____
- 2. _____
- 3. _____

In addition, please list anyone you would like for me to invite to be a Judge at our conference this year or in the future.
